Memorandum

To: All UVa Civil Engineering Undergraduate Students Who Expect to Graduate in 2016 or 2017

From: Awards Committee of the UVa Civil and Environmental Engineering Faculty

Date: December 15, 2016

Subject: Application for CEE Department Scholarship Awards for 2016-17 DUE NLT FEB 5 NOON

The Awards Committee wishes to advise you of several scholarships available for qualified students in the Department of Civil and Environmental Engineering. Each application will be considered for every scholarship for which the student may qualify. Applications will be received until 12 noon, Friday, February 5, by Pat Gibson at patgibson@virginia.edu or to the CEE Office in Thornton Hall, Room B-228.

Announcement of the recipients will be made at the CEE Celebration on April 24, 2015, 2-4 pm, Darden Court. (See Scholarship/Financial Aid bulletin board outside D-204 for other scholarships available in addition to these awards.) In addition to those listed below, the Committee will select, based on academic achievement and service to the ASCE student chapter, the recipients for the Thompson and Rader awards made to graduating students.

1. Furman W. Barton Scholarship
   A scholarship honoring the late Professor Furman Barton, to be awarded to one or more deserving third- or fourth-year undergraduate student(s) studying civil and environmental engineering. Applicants must be in good character and in good academic standing enrolled at SEAS.

2. Clark Construction Group Scholarship
   A scholarship funded by The Clark Construction Group, Inc. to be awarded annually to a rising fourth-year or graduate student in civil engineering who has achieved a cumulative GPA of 3.0, has demonstrated financial need, and is a U.S. citizen.

3. Clark Construction Group Engineering Business Minor Scholarship
   A scholarship funded by The Clark Construction Group, Inc. to be awarded annually to a rising third or fourth-year student in civil engineering who has achieved a cumulative GPA of 3.0, has formally declared the engineering business minor, a cumulative GPA of 3.0 or better, and is a U.S. citizen or a Permanent Resident with the I-551 card that permits working in the U.S. (The civil recipient for The Clark Engineering Business Minor Scholarship is selected by Clark via Mr. W.B. Carlson after recommendations by the CEE Committee chaired by Mr. R.W. Miksad.)

4. Kinnier Scholarship
   A scholarship honoring the late Professor Henry L. Kinnier to be awarded annually to a rising third- or fourth-year civil engineering student who is a member of the ASCE Student Chapter, whose GPA is among the top ten percent of the applicant’s class in the Engineering School, and who is a U.S. citizen.

5. Shope-Kinnier Scholarship
   A memorial scholarship established by Mr. and Mrs. Andrew Shope who continue to honor Mr. Kinnier. This is awarded to a civil engineering student who is a Virginia resident with financial need determined by the University's Student Financial Services.

6. Virginia Ready-Mixed Concrete Association
A scholarship funded by the Virginia Ready-Mixed Concrete Association, Charlottesville, VA, to be awarded to one or more undergraduate or graduate students who are preparing for a career related to highway or building construction.

7. Gaylord Scholarship
   A scholarship honoring the late Professor Charles N. Gaylord, to be awarded to an undergraduate student(s) in civil engineering. Applicants must have completed at least four semesters of college level coursework of which two semesters have been in the CEE program. Selection will be based on academic performance, financial need, and career aspirations.
