Virginia Department of Transportation (VDOT) Civil Engineering Scholarship Program is now accepting applications through November 30, 2015.

The Civil Engineering Scholarship Program offers civil engineering students:

- $3,500 stipend each semester for educational related expenses
- Paid developmental work experience located throughout the state in multiple VDOT divisions and districts each summer and opportunities to work during school; supervised by a Professional Engineer
- Expanded knowledge of public service and transportation.

Student requirements to apply:

- Be a US citizen or permanent US resident.
- Be at least 18 years of age.
- Maintain residency in Virginia or attend a school in the Commonwealth of Virginia.
- As of May 2016, be a rising junior (third) or senior (fourth) year of undergraduate study in an ABET accredited four-year college or university.
- Require at least two semesters of coursework before graduation.
- Possess a minimum cumulative grade point average of 2.5 or above on a 4.0 scale or 3.0 or above on a 6.0 scale.
- Complete a minimum of 12 credit hours per semester.
- Declare and pursue a Bachelor of Science degree in Civil Engineering or Civil Engineering Technology.
- Agree to begin his or her Civil Engineering career with the Virginia Department of Transportation following graduation.
